

The Missoula Art Museum serves K-12 schools, colleges and universities, libraries, community groups and other organizations across the nation, including nearly 200 in the state of Montana. Please see following pages for jurisdiction maps.

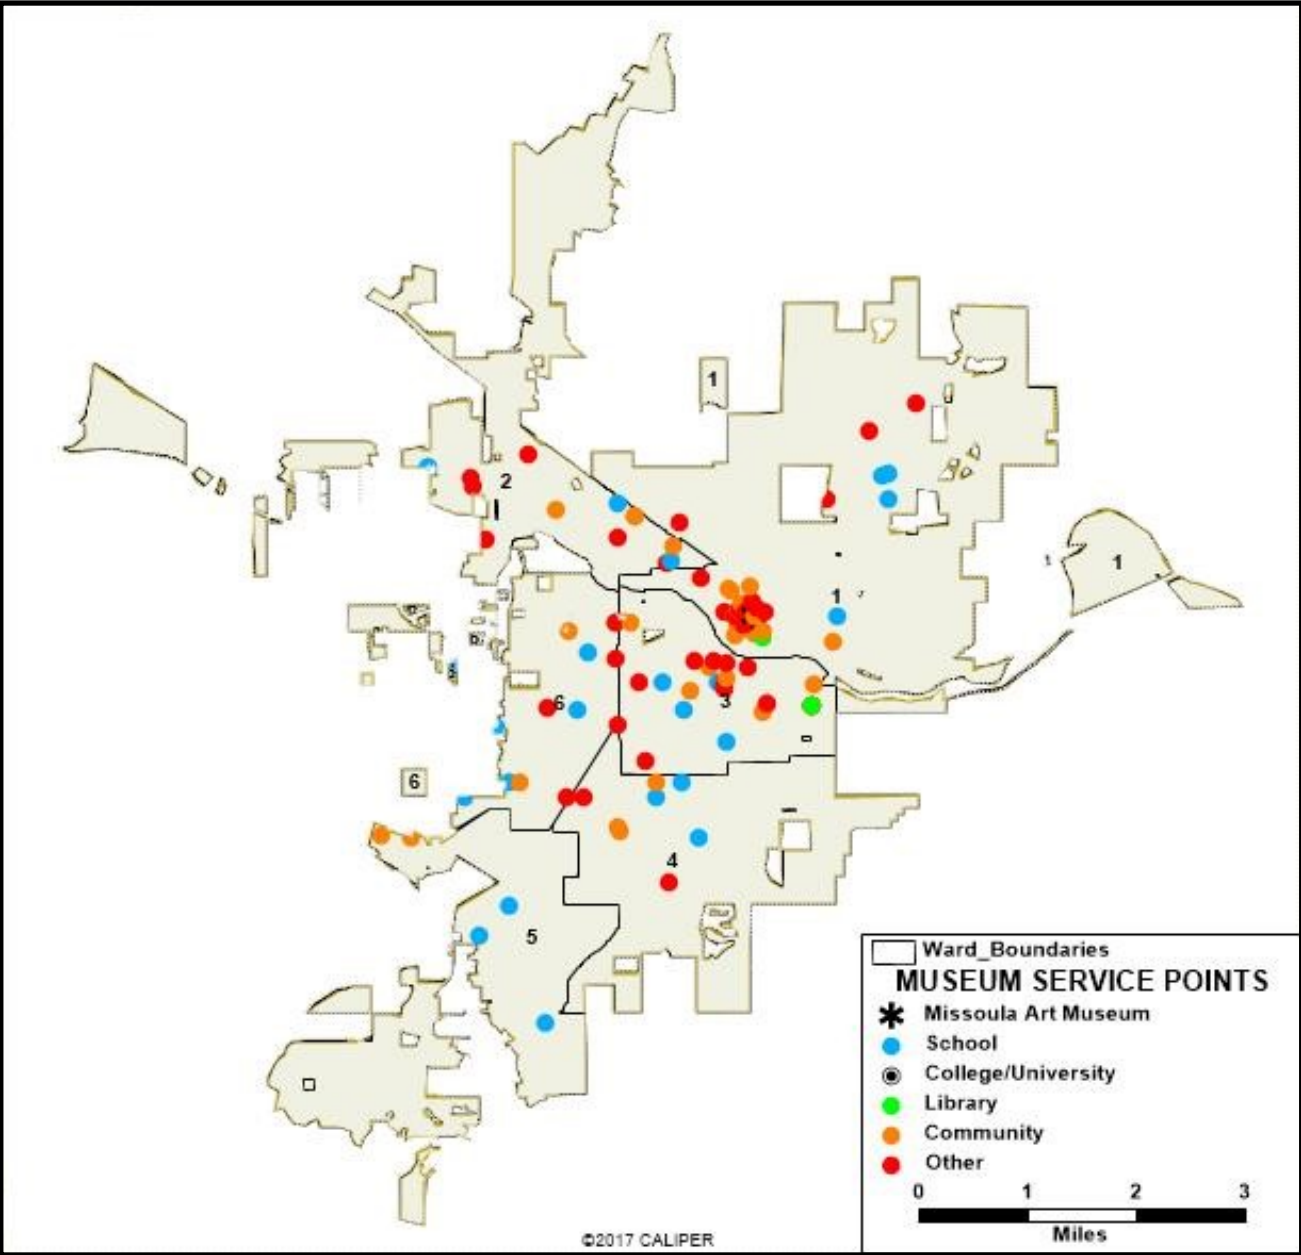

MAM is a spectacular attraction in the heart of Missoula's historic downtown: a fully accessible, free, public museum that boasts eight exhibition spaces, a library, education center, and an inviting information lounge.

Admission is free every day, thanks to the generosity of MAM members and donors. As the map below shows, MAM serves across census tracts at every socio-economic level.

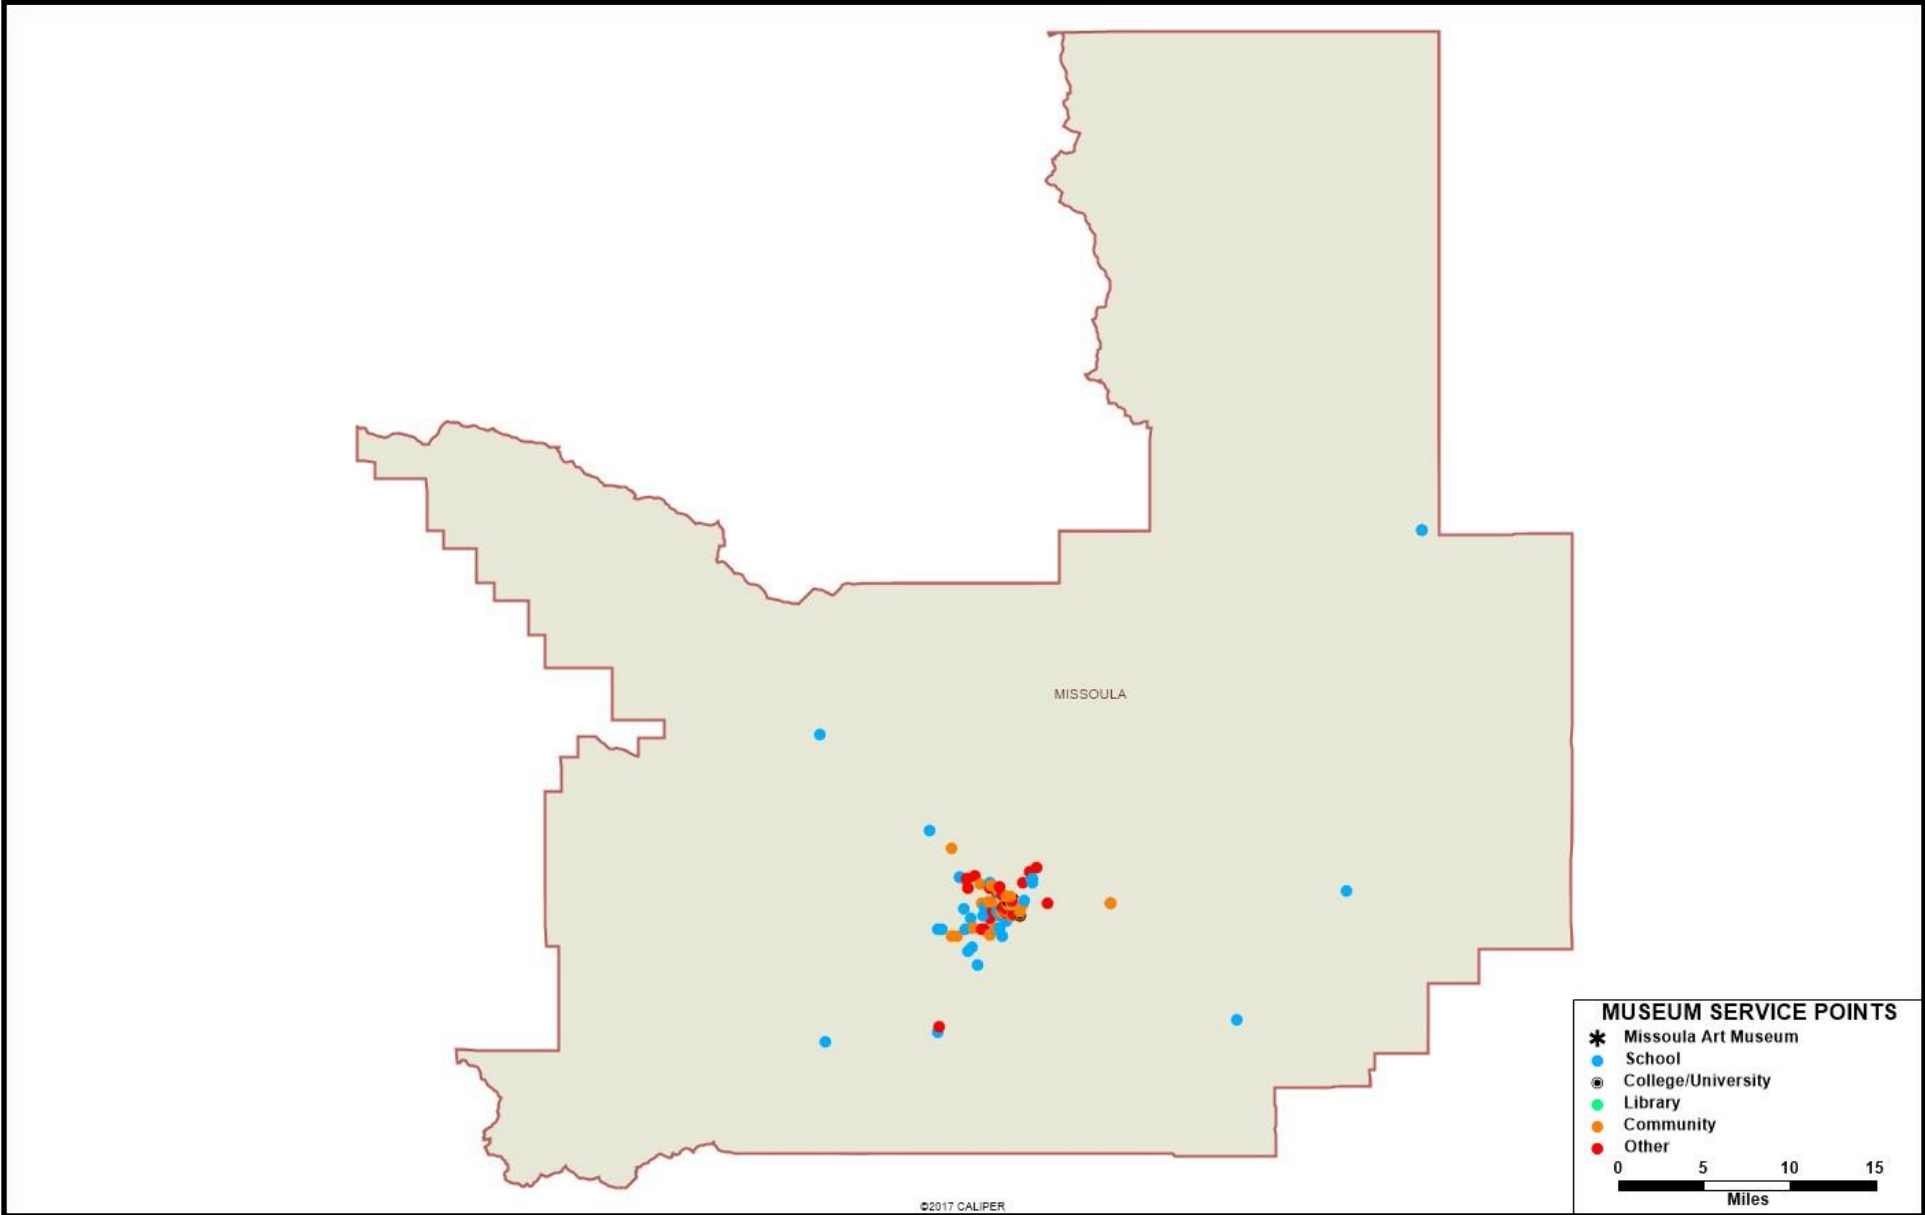

MAM serves more than 100 organizations in the city of Missoula. Please see next page for detailed list by ward.
