The UIMA Education Department organizes a wide range of programs for audiences of all ages. Each event serves to further its mission of bringing the experience of art to the greatest range of audiences possible.

Each symbol on the following pages represents an education or community partner that used the services of the UIMA in 2013-2014.

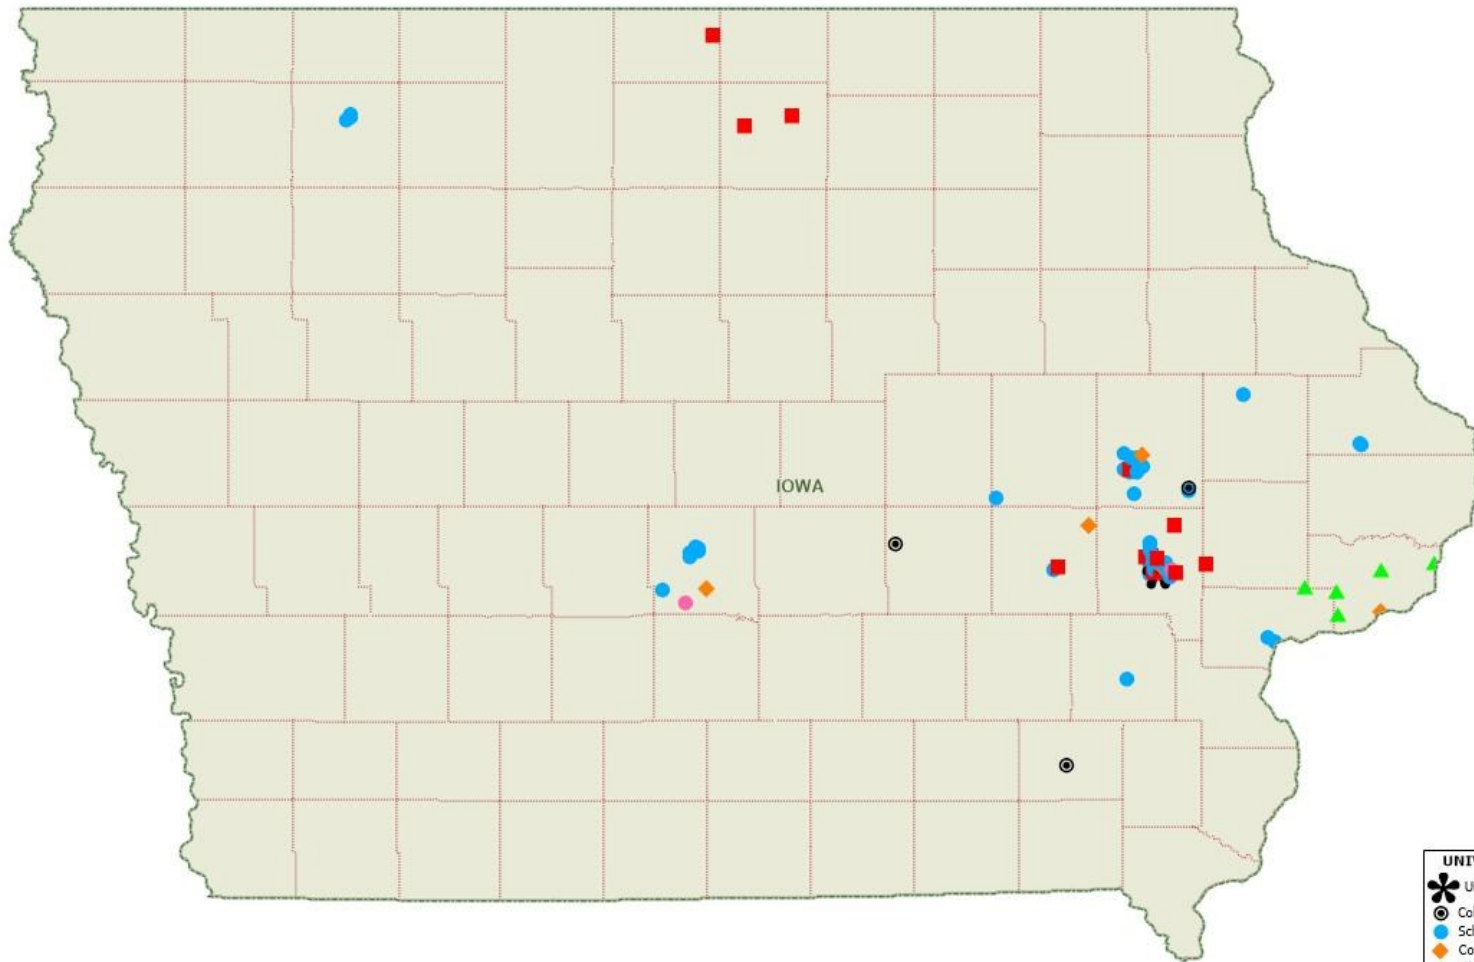

UIMA: Constituency by Median Household Income

The UIMA serves education and community organizations located in economically diverse census tracts. Approximately thirty-seven percent (37%) of its participating community partners are located in areas with a median household income of less than \$45,000, as tracked by 2010 U.S. Census data.

UIMA: Partnerships in the State of Iowa

UIMA partners with over 90 education and community groups in the State of Iowa.
